

Local firm short listed for Social Care Award

All Seasons Care Services has been publicly recognised for their commitment to their service users and staff through their shortlisting for the Kent Business Award for Social Care Award.

“This short listing acknowledges the hard work and dedication of our team of community care workers who support vulnerable adults to remain in their own homes for as long as possible” stated David Stone, Registered Manager for All Seasons Care Services.

All Seasons’ commitment to supporting dignity and independence through quality services has been further evidenced through the receipt of an Excellent rating in a recent inspection report by the Commission for Social Care Inspection (CSCI). In addition to this, their commitment to training and empowering staff has been clearly proven through a recent Investors in People (IiP) report. “There is a fantastic level of commitment, work ethic and support for each other across the organisation” stated Sam Kitney, Quality South East Assessor “in particular a lot of care staff were very committed to the clients and “going the extra mile” for them.”

The awards ceremony is due to take place on Thursday 12 June 2008 and is being sponsored by Kent County Council.

Sheila Ayre, All Seasons service user accompanied on a recent shopping trip to Canterbury by Community Care Worker, Carol Lightfoot and Care Ambassador for All Seasons, Maria Tardella.

All Seasons Care Services works in partnership with the Kent Enterprise Trust (KET), a registered local charity. For more information on All Seasons go to, www.allseasonskent.com or contact Registered Manager, David Stone on 01227 265 899.
